# GUARDIAN™ WARNING LINE PERIMETER

Use the Cortina Safety Products Warning Line Perimeter on construction sites, in parking lots, manufacturing plants, and office buildings, to cordon off pedestrian areas, and on rooftops. This simple to assemble Warning Line Perimeter, with it's easy pennant flag tie off system, is easy to set up and remove quickly, and stores easily!

- Molded High Density Polyethylene with UV Color Stabilization
- Guardian accepts warning light or sign
- Does not conduct
- Meets fall protection system requirements
- Easy BASE drop over assembly
- Stackable for storage
- 100% recycled rectangular 30 lb rubber base
- OSHA 1926.502(f) Compliant for rooftop use
- OSHA Compliant Pennants - 500 lb tensile strength

## USE THE GUARDIAN AS A ROOF WARNING LINE ARE YOU OSHA COMPLIANT?

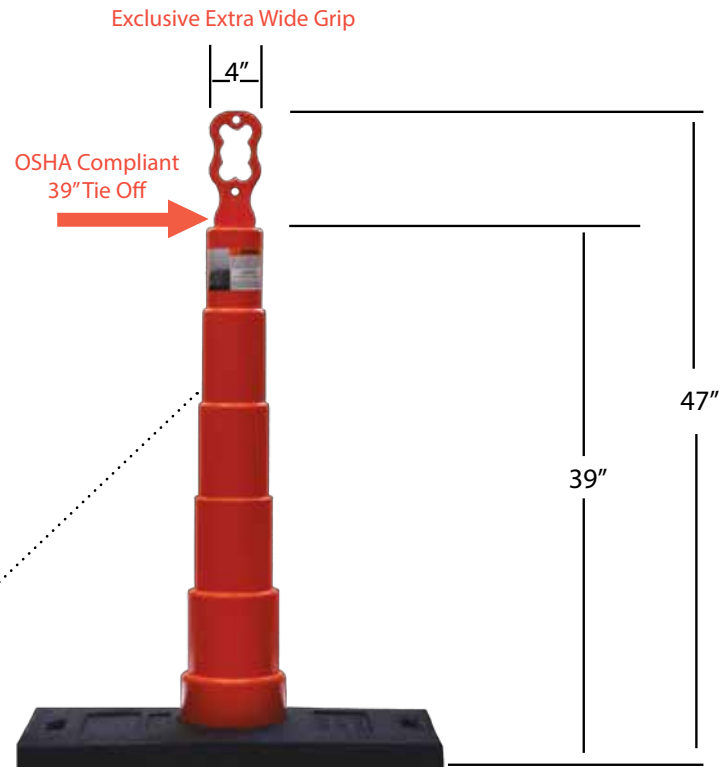

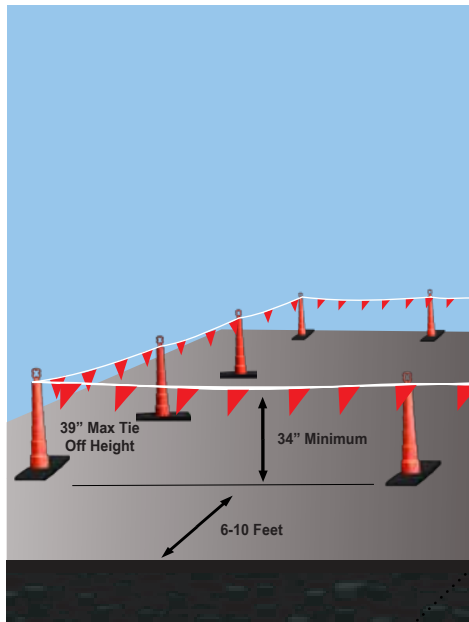

In accordance with OSHA 1926.502(f), and other applicable regulations to warn of leading edge hazards, this device shall be used only by a qualified competent person. The warning line shall be staged and supported in such a way that it is no less than 34 inches from the walking/working surface at its lowest point and no more than 39 inches at its highest point.
