

### EXTREME CABLE HOSE PROTECTION!

## About the Product

Our 12 foot wide ramps offer 6" size channels with the ability to add as many additional channels as needed. This revolutionary product offers the widest cable/hose ramp in the industry in order to provide the most vehicle friendly ramp. Large construction & Mining equipment can easily travel over the product and cars are able to safely cross over to the other side. This smooth slope ensures a safer more user friendly experience while protecting your asset.
